

Nashville Union.

S. C. HENRY, Editor.

To Correspondents.

Our correspondents must allow us to take our own time for reading their communications. We have no time to be read to. It is literally impossible.

Please Notice.

We have no time to transcribe communications. We sometimes receive communications with a scrap of confidential information written on the back of the manuscript. Of course if we use the manuscript we have to re-write it, and this imposes entirely too much labor on us. We have no time for such work.

Notice to Club-Makers.

The Editor will be greatly obliged to persons making up clubs for the UNION that they will not publish them and not to himself. Communications and subscriptions are sometimes mixed up with private information in such a manner as to cause needless delay and trouble to all parties.

PROSPECTUS

OF THE
NASHVILLE UNION.

The Nashville Union has been in existence for a few weeks, for the purpose of defending the Southern Confederacy, and of advancing the restoration of Federal authority, without any attempt to subvert the states which have attempted to secede. Friends of all who support, and we fear all who oppose, the Union. It has no watchword but FRIENDS AND NATIONALISTS.

With rebels and traitors there can be no compromise to make. It contends for the Federal Constitution and the Laws made in pursuance thereof as the Supreme Law of the Land, anything in the Constitution and Laws of any of the States to the contrary notwithstanding.

It contends for the Union of the States, because without it the preservation of our liberties and institutions, and the organization of society itself are wholly impossible. Therefore, whatever stands in the way of crushing out the rebellion and restoring our national purity, no matter by what name it be called.

To the people of Tennessee, ever regardless for their devotion to Liberty and Union, until they were betrayed by the rebel despotism of Bull Run, by a perfidious Governor and corrupt Legislature, and who have felt so heavily the weight of treason and anarchy, we appeal for support. Let the names of rebels, rebels' sympathizers, and we fear all who oppose the Union. It has no watchword but FRIENDS AND NATIONALISTS.
